REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact person: Julie Brooks or Krista Quarles

(1) Provide a brief summary of:

(a) What this administrative regulation does: This new emergency administrative regulation references the COVID-19 vaccine storage and handling summaries issued by the Centers for Disease Control and Prevention (CDC).

(b) The necessity of this administrative regulation: This emergency administrative regulation is necessary to ensure the proper storage and handling of the COVID-19 vaccines.

(c) How this administrative regulation conforms to the content of the authorizing statutes: 2021 Extra. Sess. Ky. Acts Ch. 5 requires the cabinet to promulgate an emergency administrative regulation related to the storage of the COVID-19 vaccine.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This emergency administrative regulation will ensure the available COVID-19 vaccines are stored and handled in accordance with the guidance issued from the CDC.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this administrative regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statutes: This is a new administrative regulation.

(d) How the amendment will assist in the effective administration of the statutes: This is a new administrative regulation.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: This new emergency administrative regulation will impact all health care providers who register with the cabinet to administer a COVID-19 vaccine.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in questions (3) will have to take to comply with this administrative regulation or amendment: All health care providers offering a COVID-19 vaccine will need to ensure they are able to properly store and handle the vaccine, regardless of the vaccine being provided.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the identities identified in question (3): The cost is unknown. Many health care providers have sufficient facilities and equipment for the safe storage and handling of vaccines. Those that do not currently have the required facilities and equipment would incur the costs associated with procuring these.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3): Health care providers will be able to offer a COVID-19 vaccination as part of the routine care provided to patients. This will help to increase the total number of citizens who are vaccinated against COVID-19.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: This new emergency administrative regulation will have no impact on the budget of the cabinet. The vaccine storage and handling protocols have been developed by the CDC and are available to the public on the CDC website.

(b) On a continuing basis: This new emergency administrative regulation will not impact the budget of the cabinet on an ongoing basis.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: The funding necessary to implement this emergency administrative regulation will be from state general fund dollars.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new or by the change, if it is an amendment: An increase in fees or funding is not necessary to implement this new emergency administrative regulation.

(8) State whether or not this administrative regulation established any fees or directly or indirectly increased any fees. This new emergency administrative regulation does not establish any fees.

(9) TIERING: Is tiering applied? Tiering is not applied. Health care providers will need to follow the storage and handling protocols for the vaccine they choose to provide.

FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

1. What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? This new emergency administrative regulation will impact the Division of Epidemiology and Health Planning in the Department for Public Health as well as all local health departments providing a COVID-19 vaccination.
